TWO NEW HARDY HYBRID CLIMBING ROSES.

As Beautiful as Tea Roses, and as Hardy as Oaks.

MAY QUEEN and RUBY QUEEN.

Introduced by the Conard & Jones Company in 1898.

☞These splendid new Hardy Climbing Roses are our own introduction for 1898, and mark the first great advance in Climbing Roses made in many years. We believe they will soon take an important place in our list of Hardy, free-blooming Climbing Roses

New Hybrid Climbing Rose,
MAY QUEEN (C. & J. '98)
Mrs. De Graw x Wichuraiana.

This is a vigorous, erect, growing climber, well furnished with handsome foliage and bearing great numbers of lovely large roses, 3 inches and more across; perfectly double, very sweet scented and borne in clusters of five to seven all over the bush. Color clear coral pink, very bright and handsome. It is an early and abundant bloomer, entirely hardy, and recommended for all situations where hardy, free-blooming climbing Roses are wanted. *Price—Strong plants from 3-in pots, 50 cts. each; $6 per doz. Ready April 10.*

New Hybrid Climbing Rose,
RUBY QUEEN (C. & J. '98)
Queens Scarlet x Wichuriana.

Bright rich ruby red with clear white centre, flowers quite double. three to three and one-half inches across, opening out flat and perfect. The color is rich and velvety and the purest shade found in Roses, lasting without a tinge of purple for days. It is a strong, hardy climber, and its rapid growth, early and abundant bloom, and bright rich color will make it a valuable addition to our list of Hardy Climbing Roses. *Price—Strong plants from 3-in. pots, 50 cts. each; $6 per doz. Ready April 10th.*

THE CONARD & JONES COMPANY'S

New American Pedigree Cannas

14 Superb New Varieties for 1898.

NOTE.—We are the originators and owners of Wintzer's (now The Conard & Jones Co's) **New American Pedigree Cannas**, which are undoubtedly the grandest cannas ever introduced, and the most gorgeous and handsome flowers for bedding in gardens, lawns, parks, and all kinds of ornamental grounds now known. We give special attention to the production of improved varieties and now offer of our own exclusive production the following **Set of Fourteen Superb NEW PEDIGREE CANNAS for 1898,** combining new and exquisite colors with flowers of largest size and most perfect form and substance. **The prices given are for Strong Pot Grown Plants, (not dry roots), Postpaid, Ready MAY 1st, except when noted, Set of 14 Varieties, packed to exp. for $12.**

George Washington—We believe this is the grandest canna of its color yet introduced; the flowers are deep velvety crimson, exquisitely shaded, very large size with broad rounded petals, and borne erect in large massive trusses, an altogether noble variety of exqusite finish. Height about 3½ feet Price, $3 each, postpaid.

Martha Washington—This is undoubtedly the most superb pink variety yet introduced, and a fit companion to the above. The flowers are very large and frequently have five broad petals; the trusses are immense, and the color pure bright rose; very beautiful and attractive, a vigorous grower and a most constant and abundant bloomer. Height about 3 feet. Strong potted plants, price, $1 50 each. The two varieties—George and Martha Washington—for $4, postpaid.

Buttercup—Real bright buttercup yellow, large, handsomely formed flowers in fine open trusses, always clean and bright. One of the most pleasing and attractive varieties we have seen. Price, $1 each, postpaid.

Blazing Torch—Brilliant crimson scarlet, fine widely expanded flowers in large well rounded trusses, exceedingly showy and handsome, entirely distinct from all others, and a valuable addition to our list of tall-growing crimson sorts. Height 4 feet. $1 each.

Zephyr—A very handsome New Dwarf growing sort, extra large finely formed flowers in handsome, well-filled trusses; color light rose, passing to deep rose; exquisitely shaped; begins to bloom while quite small; fine for pots, edging and borders. Height 2 feet. Price, $1.

Mount Etna—Magnificent dark purple foliage; large, bold, erect trusses Flowers of largest size and intense brilliant crimson; the most superb dark leaved variety to date. Exceedingly fine for single specimens, centre of beds, etc A strong, robust grower. Needs plenty of room to show its superb form and foliage. Height 4 feet. Price, $1.

Dr. Nansen—Remarkably large branching trusses with fine open flowers of clear, pure yellow. A constant and abundant bloomer; a beautiful and highly artistic variety; the petals are thick and durable, retaining their color and freshness through all kinds of weather. Height 3 feet. Price, $1,

Rosymorn—Pretty buff salmon flowers, elegantly bordered and mottled with fine canary yellow and deep rose; lovely sunset tints; handsome erect trusses of fine regular flowers. A true ever-bloomer. Height, 3 feet Price, $1.

Virginia—Large, exquisitely beautiful flowers, fully five inches across; bright rose pink; large erect trusses, with handsome foliage. Very vigorous and effective either singly or in masses. Height, 4 feet. Price, 75c each.

Enchantress—Fresh bright, clear pink. Flowers of grand size, with large rounded petals, and borne in splendid erect trusses. An early and constant bloomer. Height, 4 feet. Price, $1.

Annie Laurie—A charming new variety, bearing exquisite spikes of large, widely expanded flowers, rivalling the finest Gladiolus in color Beautiful silver rose, with distinct white throat. Height, 2½ feet. Price, $1.

Rosemawr—We ask particular attention to this grand new variety, which is undoubtedly one of the most showy and handsome of all the pink cannas. Its enormous masses of flowers and exquisite color attract immediate attention The flowers are extra large, having broad, well-rounded petals frequently two inches across. The color is bright, rosy pink, elegantly mottled with rose, shaded rich golden yellow at throat. The trusses are immense and borne just the right distance above the foliage to show to best advantage. The flowers are very durable and retain their bright, handsome color through all kinds of weather. The plant makes a vigorous, handsome growth, averages about three feet in height and is an early and continuous bloomer. We recommend it as one of our very best kinds both for bedding and house culture.

Fine Plants ready now. Price, 60c each, postpaid; $5 per doz.; $40 per hundred by express.

Augusta—A very striking and distinct new gilt-edge variety. Flowers five inches across, intense scarlet, widely bordered with clear golden yellow. Grows about three feet high, and bears large open spikes of rich and handsome flowers. Largest gilt-edge variety to date and entirely different from all others in color and form.

Ready now. Price 50c each, postpaid: $5 per doz., by express.

Baltimore—Large erect spikes of handsome flowers, rich, bright red, with golden yellow throat. Leaves beautifully edged with purple. A first-class sort distinct in color and habit. Height, 3 feet.

12 C. & J. New American Pedigree Cannas

THESE are the most noted cannas offered this year. They all originated here and most of them were first offered last year. They attracted attention at once owing to the large size of their flowers and trusses and their new and exquisite coloring. The stock was very limited, however, and but few orders could be filled, but we now have all the varieties in ample supply at moderate prices and expect to fill orders as fast as received.

NOTE—The prices given are for strong plants from 4 inch pots, except as noted.

New Dwarf Canna GOLDEN PEARL (C. & J.)

This is the most wonderful dwarf canna yet produced. It is grand for house culture in pots or vases, and also particularly desirable for borders and edging in open ground. It is a true perpetual, begins to bloom when only six or seven inches high, and will continue to throw up new fresh flowers as long as kept in growing condition. The flowers are very large, frequently over four inches across, and borne erect in elegant clusters of eight or nine each on short stems 12 to 15 inches high. The color is deep golden yellow, with rich maroon throat, very handsome and attractive. **75 cts. each, postpaid; $7.50 per doz.; $60 per hundred, express.**

Duke of Marlborough (C. & J.)—This is the darkest colored Canna yet introduced. Dark rich velvety maroon, almost black. Finely shaped flowers in large, well balanced trusses. A handsome, vigorous grower and quick constant bloomer. Undoubtedly the darkest and richest colored Canna to date. **40 cts. each, postpaid; $4 per doz.; $30 per hundred by express.**

Duchess of Marlborough (C. & J.)—Noted for its constant bloom and enormous trusses of splendid flowers. Clear bright rose pink. Exquisitely beautiful. 2½ to 3 feet in height. **40 cts. each, postpaid; $4 per doz.; $30 per 100 by express.**

California (C. & J.—Pure orange gold, a very rare and handsome shade, and the finest of this color. 40 cts. each, postpaid; $4 per doz.; $30 per 100 by express.

SOLANUM WENDLANDII.

THE illustration is taken from flowers on our own grounds, but gives a very imperfect idea of this splendid New Solanum, which is one of the grandest and most striking plants recently introduced. It is a strong semi-climber, grows eight to ten feet high and bears immense clusters of splendid sky blue flowers from early summer till frost. The flowers are over two inches in diameter, and the clusters 15 to 18 inches long. Very effective trained to post or trellis, or clambering over walls, rockeries, or mounds in gardens, lawns, and parks. We have succeeded in growing a good lot of plants this season and offer them low. Good 3 in., $1.20 per doz.; $9 per hundred.

Solanum Seaforthianum — Begins to bloom when only a few inches high, and bears hundreds of delicate lilac flowers, with golden stamens; 2½ inch plants, 70 cts. per doz.; $5 per hundred.

Solanum Rantonetti—Fine for bedding and house culture. Bears beautiful clusters of deep blue flowers the whole season; 70 cts. per doz.; $5 per hundred.

Ampelopsis Veitchii — Strong pot grown one year plants; 50 cts. per doz; $3 per hundred.

Rudbeckia (*Double Golden Glow*)— One of the grandest hardy yellow flowers ever introduced. Grows 6 to 8 feet high. Graceful branching habit. Blooms the first season, July and August. Covered with large round, golden, yellow flowers, perfectly double like roses, and two or three inches across. Long stems, fine for cutting and florist work; 2½ inch plants, 60 cts. per doz.; $4 per hundred.

Clerodendron Fragrans—A strong, bold looking plant, bearing large clusters of rosy white camelia like flowers, each one a boquet in itself. 2½ in., 60 cts. per doz; $4 per hundred. 3 in., 80 cts. per hundred.

Dahlias, Double—Fine mixed varieties, including Nymphea, James Vick, Maid of Kent, and other first-class sorts. Strong field grown clumps; 75 cts. per doz.; $5 per hundred,
